

COVID-19 UPDATE

April 10, 2020

SUNLAND
LOGISTICS SOLUTIONS

CUSTOMER COMMUNICATION

Dear Sunland Customers,

Our team continues to remain focused on staying informed and adapting to new laws and best practices to protect our associates during the pandemic. Below is a high level update on our actions this past week from both a safety and business continuity standpoint:

Safety & Business Continuity Action Highlights

Safety

- Taking temperatures in the morning at all sites with nurse support at most
- Adjusting to new CDC quarantine requirements, social distancing guidelines, & PPE recommendations
- Continuing to procure and distribute PPE and sanitation supplies – *Thank you to customers who have leverage their purchasing power to help supply our sites*
- Counseling support made available to managers and associates
- Evaluating visual management techniques to help reinforce social distancing

Business Continuity

- Adjusting to extended plant shutdowns by flexing labor across operations
- New text notification system implemented to improve communication to associates and customers

Space Available

If you need additional storage space and would like to discuss, please contact Elijah Ray, Chief Customer Officer, Elijah@SunlandLS.com .

We appreciate your continued partnership as we navigate through this together. Please feel free to reach out with any questions or share any updates on your organization's actions.

Picture This

Our team in North Charleston makes sure to practice social distancing during their morning start up meetings.

Our temporary nurse supporting Sunland's corporate office and Trinity facility takes everyone's temperatures before beginning work each day.

Our admin team works hard to procure & supply our sites with PPE.

Leadership at our Louisville, KY site is using visual management to make COVID-19 information and PPE easily accessible to associates.

Sunland's COVID-19 Action Timeline

April 6 - 10, 2020
